Mario, thank you so much for sending over the latest draft of the disapproval letter and for all that you have done to address this issue. I look forward to listening to the discussion tomorrow. The agenda looks great.

Sengco, Mario shared a file with you

Hi, Holly. This is the version of the action letter that Judy sent OST on June 20, which I then downloaded, added to my OneDrive, and shared with Sara and Betsy for their review (including other folks in OST and Tom Glazer). I shared this with Tonya as well to "look over our shoulders". This is not ready to turn over to you just yet as I don't think Sara and Betsy has reviews. Our plan is to revise this version and send it over to you. Just FYI
